

FAQs

Microsoft Power Platform Virtual Training Day: Fundamentals

Where is the Microsoft Power Platform Virtual Training Day hosted?

The Microsoft Power Platform Virtual Training Day: Fundamentals is an online event. After you register online, you will receive confirmation email. A reminder email will be sent containing the log-in link you will need to attend the virtual training.

The log-in link will go live 15 minutes before the start of the virtual training day.

How much will it cost?

The Microsoft Power Platform Virtual Training Day: Fundamentals is a free virtual event.

How will I know if I have been registered for this virtual training session?

Check your inbox after you have registered. You will receive a confirmation email shortly after registration. If you do not receive the registration email, please check your junk/spam folder. If you cannot locate the confirmation, please email eventsau@microsoft.com

Can I share this virtual training with my colleagues?

Of course! Feel free to share the registration link to those who may be interested to attend. Please do not share direct links to view virtual events, as these are unique to each registrant. Each attendee must have their own registration to receive the exam discount.

Will I be receiving a copy of the recording of this virtual session?

No. Unfortunately the recording is not available for this virtual session. However here are some resources you might find useful.

- Refer to the [Power Platform Fundamentals Learning Path](#) on Microsoft Learn for on demand content.
- For upcoming cloud training events and webinars, visit the [Microsoft Cloud Skills Hub](#)
- Stay up to date with our [Power Platform Blog](#)
