

NANO MAN

SERVER OF
THE REALM

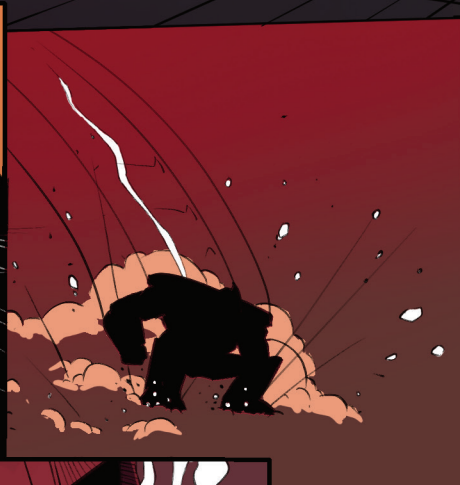

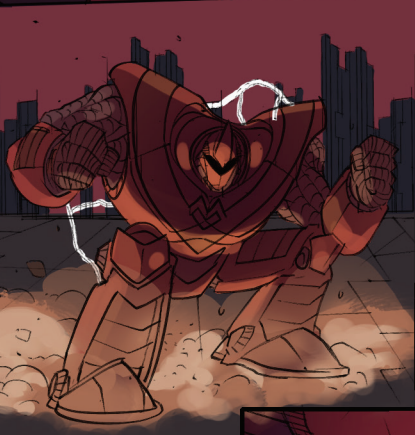

DATACENTROPOLIS. OUR HOME...

OUR HOVEL.

THE CITY STRAINS UNDER THE WEIGHT OF ITS CITIZENS' DEMANDS.

WE LOOK UP, TO THE CLOUD, FOR THERE LIES OUR FUTURE. BUT HOW TO REACH IT...

...IS BEYOND THE POWERS THE CREATORS HAVE BESTOWED UPON ME.

MEANWHILE, IN THE REALM OF THE CREATORS...

SO THIS THING IS REALLY 14 TIMES SMALLER THAN SERVER CORE?

YEAH, AND 25 TIMES SMALLER THAN A FULL WINDOWS SERVER EXPERIENCE!

THIS IS GOING TO GET US TO THE CLOUD A LOT FASTER.

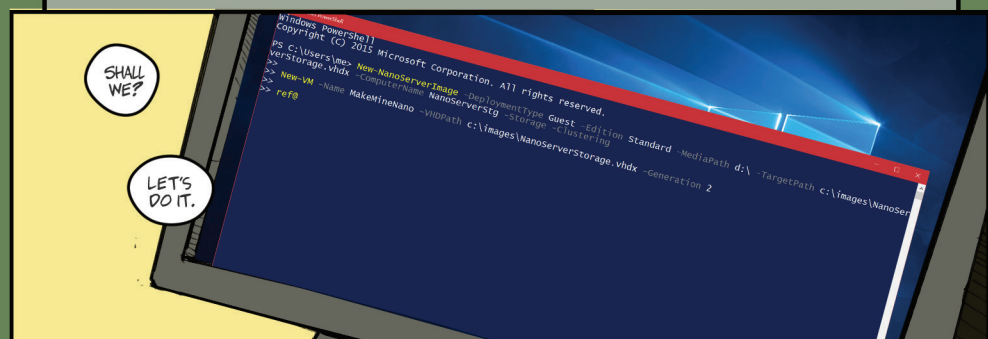

AND YOU'LL NEVER HAVE TO SIT IN FRONT OF A SERVER AGAIN.

HEY, COURTNEY... I'M REALLY GLAD SOMETHING HAS COME ALONG THAT HELPS US BOTH OUT.

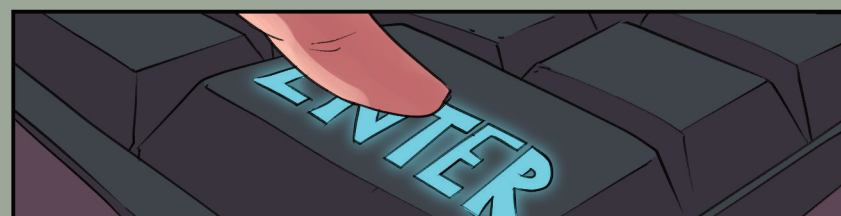

I KNOW IT'S BEEN A STRUGGLE AT TIMES.

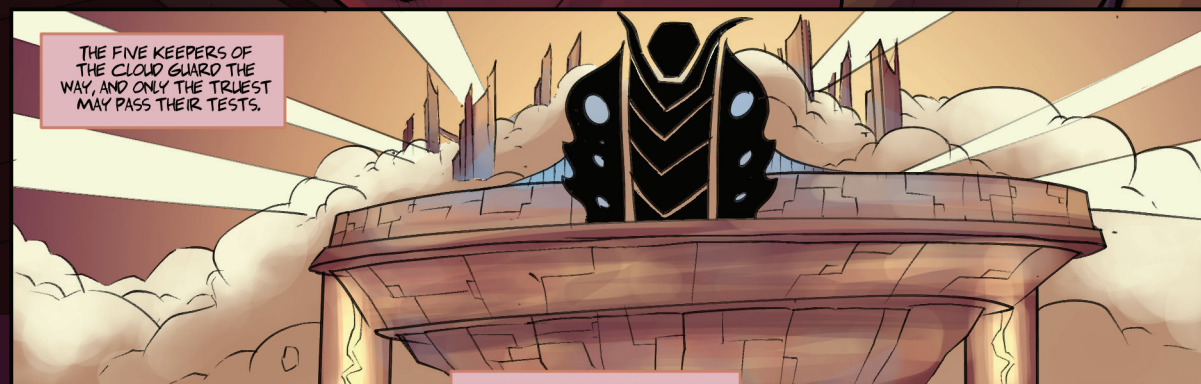

ME TOO, CAMERON. SEEMS LIKE WE'RE PUTTING OUR IT SUPERPOWERS TO GOOD USE TODAY.

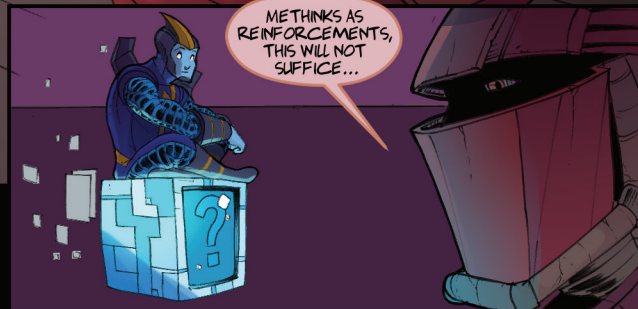

SHALL WE?

LET'S DO IT.

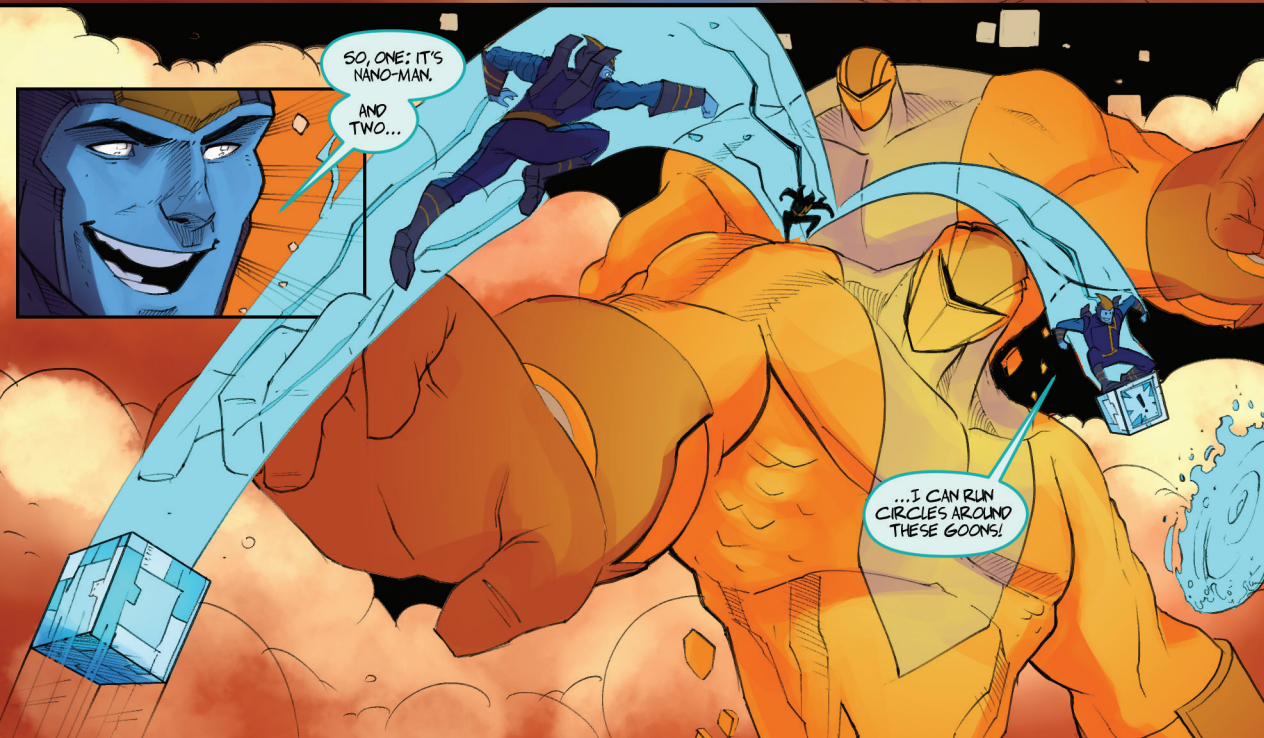

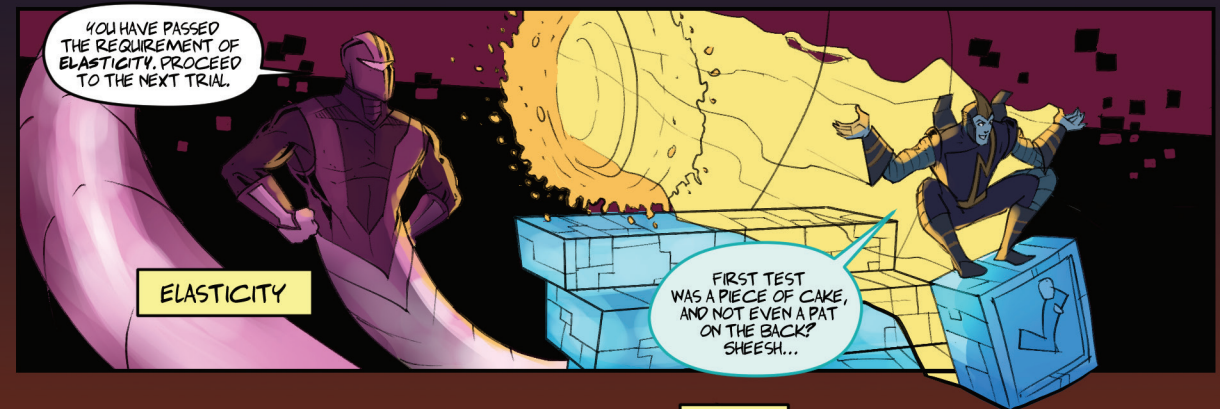

CONNIE,
LET'S GET GOING
TO THE CLOUD!

I'LL GET A
HEAD START ON
THIS FIRST TEST.
SEE YOU WHEN I
SEE YOU!

AND I PRAY
OUR RENDEZVOUS
IS TIMELY...

TWO DOWN,
THREE TO GO.
WHAT'S NEXT ON
MY WALK THROUGH
THE PARK?

THIS TEST
IS A MATTER OF...
CONTROL.

GOVERNANCE

UH OH.

AND WHETHER
YOU REALLY
HAVE IT.

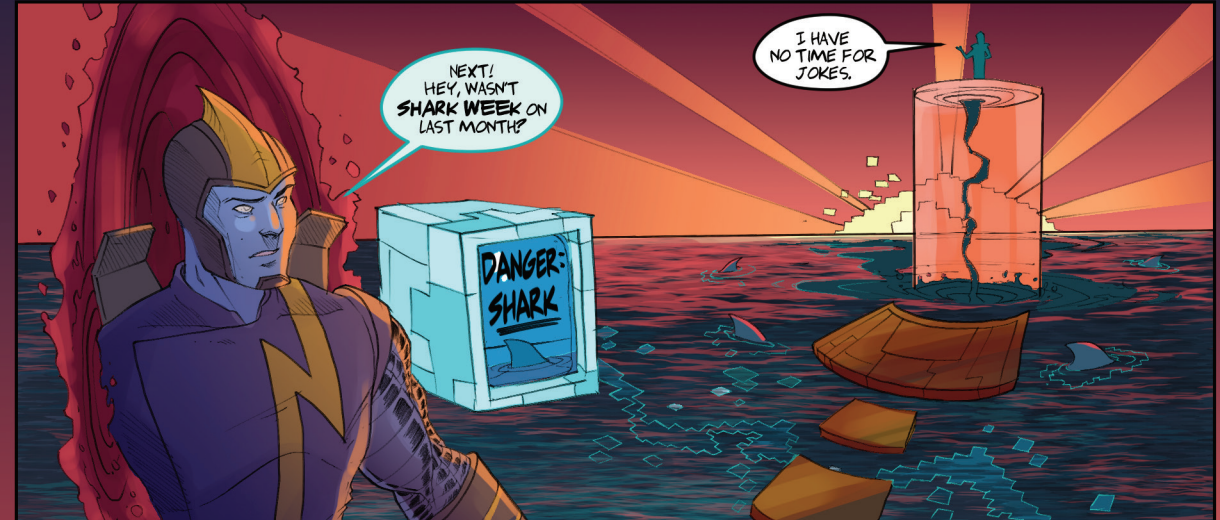

GOOD THING
EACH CONTAINER IS
COMPARTMENTALIZED...

...SWARM!

CONNIE...

NEXT!
HEY, WASN'T
SHARK WEEK ON
LAST MONTH?

I HAVE
NO TIME FOR
JOKES.

ASCEND
THE TOWER
--IF YOU
CAN.

POOLING

ALRIGHT,
CONNIE.
LET'S POOL OUR
RESOURCES.

ELEVATOR
SCALES UP.

YOU
HAVE
PASSED.

AND
NOW YOU ARE
FALLING BACK
DOWN.

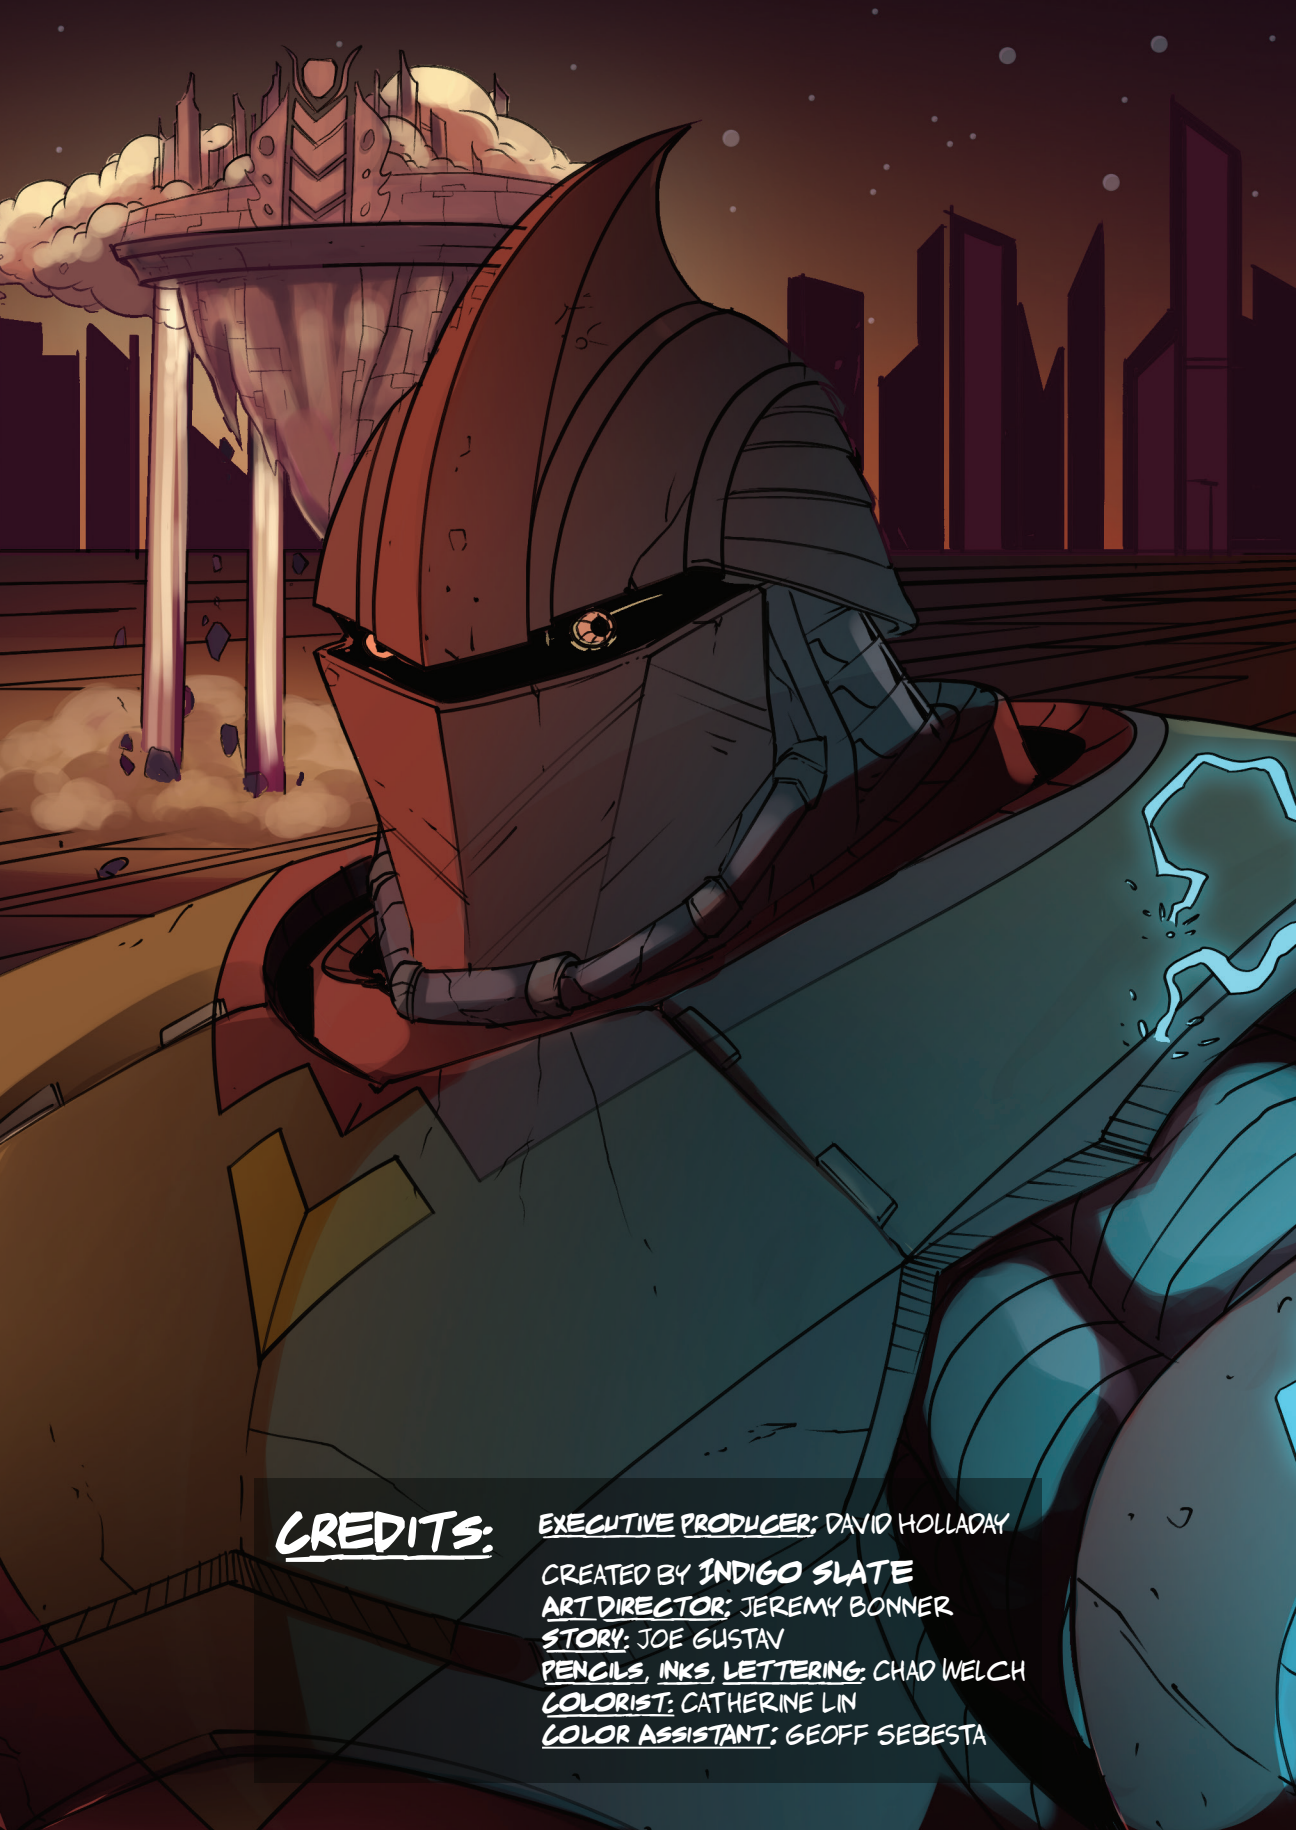

AACK!
